# Tribeca 7

DESIGNED AND CREATED IN SUPPORT OF THE

## Breast Cancer Alliance

HOLLY CALDWELL is pleased to introduce our Special Edition Tribeca 7 created with and in support of the Breast Cancer Alliance (BCA). A \$250 donation will be made directly to the BCA with the purchase of each of these limited edition pieces to support their mission of improving survival rates and quality of life for those impacted by breast cancer.

The BCA Special Edition Tribeca 7, made in Italy of fine Champagne Goatskin, is a unique cross between an organizer, a wallet and a clutch and is perfectly designed to hold the seven essential items women carry with them always: keys, glasses, credit cards, currency, lipstick, cell phone, a pen and a mirror or notebook. For travel, the Tribeca 7 has pockets to hold multiple currencies and a secure zipper pocket for a passport, or change. The uniquely sculpted handle gently wraps around the hand making holding it effortless. It's a must have for women on the go who are looking for a stylish piece that can transition from day to night, and from bag to bag.

The Breast Cancer Alliance SE Tribeca 7 will be available exclusively at Richards in Greenwich, CT. To learn more, please visit us online at [HOLLYCALDWELL.com](http://HOLLYCALDWELL.com)
